

Easter Reflections...

These things I have spoken unto you, that in me ye might have peace. In the world ye shall have tribulation: but be of good cheer; I have overcome the world.

Gospel of St. John, 16, v. 33

*Now the green blade riseth
From the buried grain,
Wheat that in dark earth
Many days has lain,
Love lives again,
That with the dead has been,
Love is come again,
Like wheat that springeth green.*

Class 10 perform in "Martin Guerre"

Class 10 has been hard at work on their musical drama Martin Guerre and the results were there to see and hear. An outstanding performance from this year group came to a rousing finale on Tuesday with a day performance for the school and an evening one for parents and the community. The impressive singing and acting deserve our highest commendation: to many in the audience the show set a new benchmark for musical and dramatic performances at Glenaeon. Many thanks to guardians Liz Chan and Manu Prasad for the inspired direction. A truly memorable performance!

Open Day

Friday May 8th will be our first Semester Open Day. In the morning classrooms will be open for the wider community and prospective parents to gain a taste of what our school has to offer. From 9 – 11 am there will be open classrooms, music, eurythmy performances and science demonstrations, followed by morning tea and Question and Answer sessions in the Hall. From 1.30 pm there will be open classrooms for our current parents to look at their children's work. At 2.30 pm there will be a concert in the hall with the senior choir plus various class performances, followed by the Aaron MacMillan Scholarship Concert featuring our very own string teachers performing a professional program for all ages. This is the moment to top up the coffers of the scholarship in memory of Aaron MacMillan which goes to support musical tuition throughout the school. Put the date in your diaries and bring all the family along!

Open Day Schedule

9 am–11 am	Open morning for visitors: demonstration lessons, performances and
1.30 pm	Open classrooms for parents
2.30 pm	Performance in Sylvia Brose Hall
3.15 pm	Afternoon tea in classrooms
4.00 pm	Aaron MacMillan Scholarship concert

Aaron MacMillan Concert Friday, 8 May - 4pm

After spending the afternoon with your children in their classrooms and watching them perform in the hall, please stay on to see their teachers perform. This year our Aaron MacMillan concert will be performed by our own music teachers: Christian Lillicrap, Manu Prasad and some of our instrument teachers. Come to see the people who inspire your children to such a high standard.

The purpose of the concert is two-fold: to promote music appreciation within our and the wider community and to raise funds for our Aaron MacMillan Scholarship Fund. Donations accepted at the door \$30 for adults and \$15 children, or \$25 for a family.

Happy holidays!

The Middle Cove office will be open throughout the holiday break from Tuesday April 14th onwards. Teachers will be returning on Monday 27th and Tuesday 28th for two days of Professional Development, including time working on developing the schools Science curriculum. Term 2 begins for students on Wednesday April 29th.

On behalf of the school, may I wish all members of the community a fulfilling and meaningful Easter.
